DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This farmstead is located on the east side of King Road near its junction with Nicodemus Mill Road, south of Boonsboro in Washington County, Maryland. The house is a two story four bay brick structure facing west. The house rests on fieldstone foundations which become a full story in height at the rear elevation. A one story, three bay brick wing extends to the rear or east.

The walls are constructed in common bond at all elevations. The surface of the building has been painted red and may have been painted originally.

Windows have six over six pane sashes under wide wood lintels. The door is hung beneath a three light transom.

Behind the house is a small one story stone spring house with an exterior stone chimney. It may predate the main house. A frame barn is also present.
